# Welcome

Welcome to open day at Bendigo TAFE, an exciting opportunity for you to find out about the courses, facilities, experiences and expertise we have on offer.

We have opened the doors to our five campuses across the region and welcome you to explore the options available at TAFE, and absorb the atmosphere of open day.

We have organised a variety of information sessions, along with project displays, interactive activities as well as staff and students to help you make that all important choice of what to do next.

Here are our top five tips to ensure you get the most out of open day:

- attend a course information session
- tour the campus and facilities
- participate in hands-on activities and demonstrations
- speak to our student support team about how to apply, study costs, financial assistance and career pathways
- Enter the competitions for your chance to win an Apple iPod shuffle

If you are interested in a career in trade, make sure you visit our **Bendigo Charleston Road Campus** and tour the state of the art facilities.

If you are still at secondary school, explore the innovative programs available at **BTEC** which are specifically for 15 to 19 year olds.

No matter what stage you are at in your learning journey, we will help you to achieve your learning goals through providing a supportive environment, with passionate teachers committed to your success.

We hope you enjoy your day!

## Business and Professional Industries

### Hair and Beauty

The purpose built training facility, Lotus Hair and Beauty provides students with an industry environment in which to achieve their qualification.

#### Information session

Come along to hear about the hair and beauty courses Bendigo TAFE offers.

<b>When</b>	11.00am and 1.30pm
<b>Where</b>	Beauty training room, Lotus Hair and Beauty, building C, level 2
<b>Map reference</b>	E3

### Hairdressing demonstration

Watch our hairdressing experts demonstrate creative ways to manage long hair.

<b>When</b>	10.00am-2.00pm
<b>Where</b>	Salon 1, Lotus Hair and Beauty, building C, level 2
<b>Map reference</b>	E3

### Hospitality and Cookery

Students have access to a fully equipped kitchen and training centre which is open to the public to ensure students receive 'real world' experience.

#### Interactive demonstration

Watch the experts make coffee and crepes, and enjoy the results for yourself!

<b>When</b>	10.00am-2.00pm
<b>Where</b>	restaurant 18eightyseven, building A
<b>Map reference</b>	C7

### Information Technology

If you are driven by technology and progression and enjoy working on computers, then the information technology world needs you.

#### Course advice

Discuss courses with staff and check out the computer lab and programs taught.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Computer lab, building J, room J.06B
<b>Map reference</b>	D10

## Community Services, Health and Wellbeing

### Aged Care and Disability

If you are a caring person and like to lend a helping hand, supporting those who need assistance, aged care and disability studies may be your next endeavour.

#### Course advice

Speak with our teachers and view the resources used in class such as the mechanical cat and dog and realistic baby doll.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Library, building P
<b>Map reference</b>	C8

### Children's Services

If you are someone with lots of energy, enjoy the company of children and are interested in enhancing their lives, then you could be just the person for children's services.

#### Course advice

Our teachers will be onsite to provide course information and answer your questions.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Library, building P
<b>Map reference</b>	C8

### Community Services

If you are caring, understanding and enjoy helping others around you, then a career in community services is a great place for you to apply your skills.

#### Course advice

Speak with our teachers about studying community services and discover the career opportunities.

<b>When</b>	10.00am and 3.00pm
<b>Where</b>	Library, building P
<b>Map reference</b>	C8

## Nursing and Allied Health

Studying health will arm you with the knowledge that you need to be involved with many aspects of the health care world.

### Nursing information session

Speak with our teachers and to current students about their experience.

<b>When</b>	11.00am-noon 2.00pm-3.00pm
-------------	-------------------------------

<b>Where</b>	Building P, level 3, room P3.11
--------------	---------------------------------

<b>Map reference</b>	B9
----------------------	----

### Nursing demonstration

Join our teachers and students in a demonstration of the lifting machine used for patient care.

<b>When</b>	1.00pm-1.30pm 2.00pm-2.30pm
-------------	--------------------------------

<b>Where</b>	Building P, level 3, room P3.11
--------------	---------------------------------

<b>Map reference</b>	B9
----------------------	----

## Creative and Design

### Creative Arts and Digital Media

If you have creative flair and need to find a way to express your ideas, then there's sure to be a course in this study area that will suit you.

#### Meet the artists

Our visual arts students show off their amazing art pieces.

<b>When</b>	10.00am-3.00pm
-------------	----------------

<b>Where</b>	Art Studios, building C, level 1 and 3
--------------	-------------------------------------------

<b>Map reference</b>	E3
----------------------	----

#### Paper embossing workshop

Join art teacher Julie Patey in our print studio to create your own paper embossed masterpiece.

<b>When</b>	10.30am-11.30am 1.30pm-3.00pm
-------------	----------------------------------

<b>Where</b>	Print studio, building C, level 3, room C3.02
--------------	--------------------------------------------------

<b>Map reference</b>	E3
----------------------	----

#### Blue screen photos

Have your photo taken on a blue screen and pick a new background to suit your personality.

<b>When</b>	10.00am-noon 2.00pm-3.00pm
-------------	-------------------------------

<b>Where</b>	Photo studio, building C, level 3
--------------	-----------------------------------

<b>Map reference</b>	E3
----------------------	----

#### Student exhibition - *Showreels from the edge*

Featuring films and animations by current interactive digital media students.

<b>When</b>	10.00am-3.00pm
-------------	----------------

<b>Where</b>	IDM studio, building C, level 3, room C3.14

<b>Map reference</b>	E3
----------------------	----

#### Graphic Design and Building Design

Learn about design principles and elements as well as industry specific software.

#### Student exhibition - *Juxtapose*

See the presentation of large format artworks from the Diploma of Graphic Design students.

<b>When</b>	10.00am-3.00pm
-------------	----------------

<b>Where</b>	Library, building P
--------------	---------------------

<b>Map reference</b>	C8
----------------------	----

## Sandy Nickson

Returning to study at after a 20 year hiatus has been a life changing event for Sandy. With the support of her teachers and flexible delivery options, Sandy managed to juggle family life, work and study gaining several high distinctions.

"I am an advocate for mature age study now having achieved at a high level while working and raising my boys. The blend of on and off the job training worked well for me and I found Bendigo TAFE to be flexible and supportive. The teachers were able to identify different learning skills and styles and catered for the individual."

- Bendigo TAFE Student of the Year, 2011
- Bendigo TAFE Student of the Year Vocational Category
- Diploma of Children's Services (Early Childhood Education and Care)

## Student exhibition - *Showreels from the edge*

Featuring current works by Diploma and Advanced Diploma of Graphic Design students.

<b>When</b>	Noon-3.00pm
<b>Where</b>	Graphic design lab, building C, level 3, room C3.09
<b>Map reference</b>	E3

## Writing and Music

Whether it is writing and editing or sound and music, students have access to teachers with substantial industry experience. We also have a state of the art studio to record and produce music.

### Meet the writers

Find out all you need to know about studying professional writing and editing at Bendigo TAFE.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Library, building P
<b>Map reference</b>	C8

### Meet the musicians

Check out the great facilities we have for recording that number one hit.

<b>When</b>	10.00pm-3.00pm
<b>Where</b>	Music recording lab, building P, level 1
<b>Map reference</b>	B9

## English, Indigenous and General Education

### Aboriginal and Torres Strait Islander

The Koori unit provides a learning environment where all students are respected and supported to learn new skills.

### Course advice and display

Come and see displays of student work created during their studies.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Library, building P
<b>Map reference</b>	C8

### Make your own bookmark

Try your hand at traditional Aboriginal artwork and paint yourself a bookmark to take home.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Library, building P
<b>Map reference</b>	C8

### English Studies

Our spoken and written English courses are suitable for anyone whose first language is not English and cater for a variety of development levels.

### Cultural display

Speak to teachers about studying English at Bendigo TAFE.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Library, building P
<b>Map reference</b>	C8

<b>Map reference</b>	D9

### Library

#### Tour

Come along for a personalised tour of library facilities and resources.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Library, building P
<b>Map reference</b>	C8

## The Student Support Services Team

#### Careers and Welfare Counsellor's - Pedro and Ben

Careers and Welfare Counsellor's provide vocational careers advice and support to students and people looking to enrol in a course at TAFE, advising of pathways to achieve their desired outcomes. They can also advise on seeking financial assistance, resume preparation and interviewing technique training.

#### Counsellor - Paul

Our counsellor is available to provide general counselling across a range of areas including:

- individual, relationship, family and parenting counselling
- counselling and strategies to deal with stress, depression, post-traumatic stress disorder, panic, phobias and other anxieties
- treatment for substance abuse and addictions vocational guidance – time management, assistance with deferral/extension and study tips
- grief and loss.

#### Disability Liaison Coordinator - Shaun

Our disability liaison coordinator can assist by providing support for students with particular needs including:

- in class support
- assistance with literacy and numeracy
- study survival skills
- tutorspace.

The disability liaison coordinator also provides access and advocacy advice, adaptive technology and equipment, as well as external resourcing services.

#### Youth Workers - Tamara and Katherine

Our youth workers are available to provide information, support and referral to young people who may be experiencing a wide range of issues, including (but not limited to):

- mental and physical health
- relationships and family
- alcohol and other drugs
- bullying
- sexuality and sexual health
- accommodation and housing
- stress
- finances and centrelink
- legal issues.

## Creative and Design

### Building Design

Our building and design courses will give you the skills, knowledge and application of industry specific software to projects from residential to commercial.

### Exhibition of student work

Be inspired by a digital and static display of previous building design students work.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building E, room SE1.26,
<b>Map reference</b>	D2

Follow the **blue** arrows.

### Building design competition

See our Advanced Diploma of Building Design students at work as they compete in an architectural design competition. Students will be using drawing boards and CAD software for the building design process.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building E, room SE1.26
<b>Map reference</b>	D2

Follow the **blue** arrows.

★ Win a seat in the short course for the architectural computer assisted design program Revit. Just pop your name in a hat to win (worth \$450.00)

## Primary Industries and Trades

### Agriculture, Horticulture and Land Management

We offer a range of programs with a strong industry focus covering areas such as agriculture, horticulture and conservation and land management.

## Conservation and Land

### Management course advice

Speak with our teachers about conservation and land management courses and check out the resources used in class, including water watch, bug and plant displays.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building H, lab SH0.4
<b>Map reference</b>	E7

Follow the **green** arrows.

### Agriculture course advice

Come and see the equipment used in our courses in agriculture and wool classing.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building H
<b>Map reference</b>	E7

Follow the **green** arrows.

### Horticulture course advice

Come see the equipment used in courses in horticulture.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building H, lab SH0.4
<b>Map reference</b>	E7

Follow the **green** arrows.

★ Win a seat in the farm chemical user short course (worth \$375.00).

★ Win a \$200.00 credit towards any chainsaw training course.

### Automotive

The automotive industry is an exciting and varied industry to work in, with a huge diversity of well paid career positions available nationwide.

### Course advice

Tour the automotive workshop and speak with our teachers about potential careers.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building A
<b>Map reference</b>	G2

Follow the **purple** arrows.

## Building and Construction

Growth within the construction industry has created a demand for people with the right qualifications to fill the skills gap. Study trades including bricklaying, carpentry, painting, decorating and cabinet making.

### Interactive demonstration

We will offer a range of hands on activities including:

- fire fighting simulation
- explosive power tools
- nail guns
- paint application
- elevated work platform
- tours of workshops

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Under the covered area adjacent to the paint workshop, near building C
<b>Map reference</b>	C3

Follow the **orange** arrows.

- ★ Win a seat in a construction induction short course (worth \$180.00).

## Electrical and Electronics

Gain practical skills to make you more employable in the fast growing electrical, security systems, refrigeration or air conditioning trades.

### Course advice

Talk to teachers about studying electrical and take a tour of the electrical training facilities.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building ET
<b>Map reference</b>	E5

Follow the **red** arrows.

## Engineering

If you are interested in how machines work, then an engineering based career might be a perfect career path for you.

### Course advice

Speak with our teachers about studying engineering.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building E
<b>Map reference</b>	D2

Follow the **pink** arrows.

## Mining and Laboratory Operations

Take your first step to a career in mining. Whether you want to be a plant operator, part of a drilling crew, or a mineral processing operator, study in mining is the place to start.

### Gold panning

Gain an overview of the course and watch a gold panning demonstration.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building H, room SH.15
<b>Map reference</b>	E7

Follow the **green** arrows.

## Occupational Health and Safety

Bendigo TAFE offers both WorkSafe approved and nationally accredited courses. We are flexible in our delivery options to help you to gain the required skill sets for your workplace.

- ★ Win a seat in a level 2 first aid short course (worth \$195.00).  
Place entries in building AR (map ref F2).

## Plumbing

As well as offering plumbing apprenticeships, our plumbing department delivers specialised courses for those who wish to work at a higher level of competency.

### Course advice

Talk to teachers about studying plumbing and take a tour of the plumbing training facilities.

<b>When</b>	10.00am-3.00pm
<b>Where</b>	Building C
<b>Map reference</b>	C3

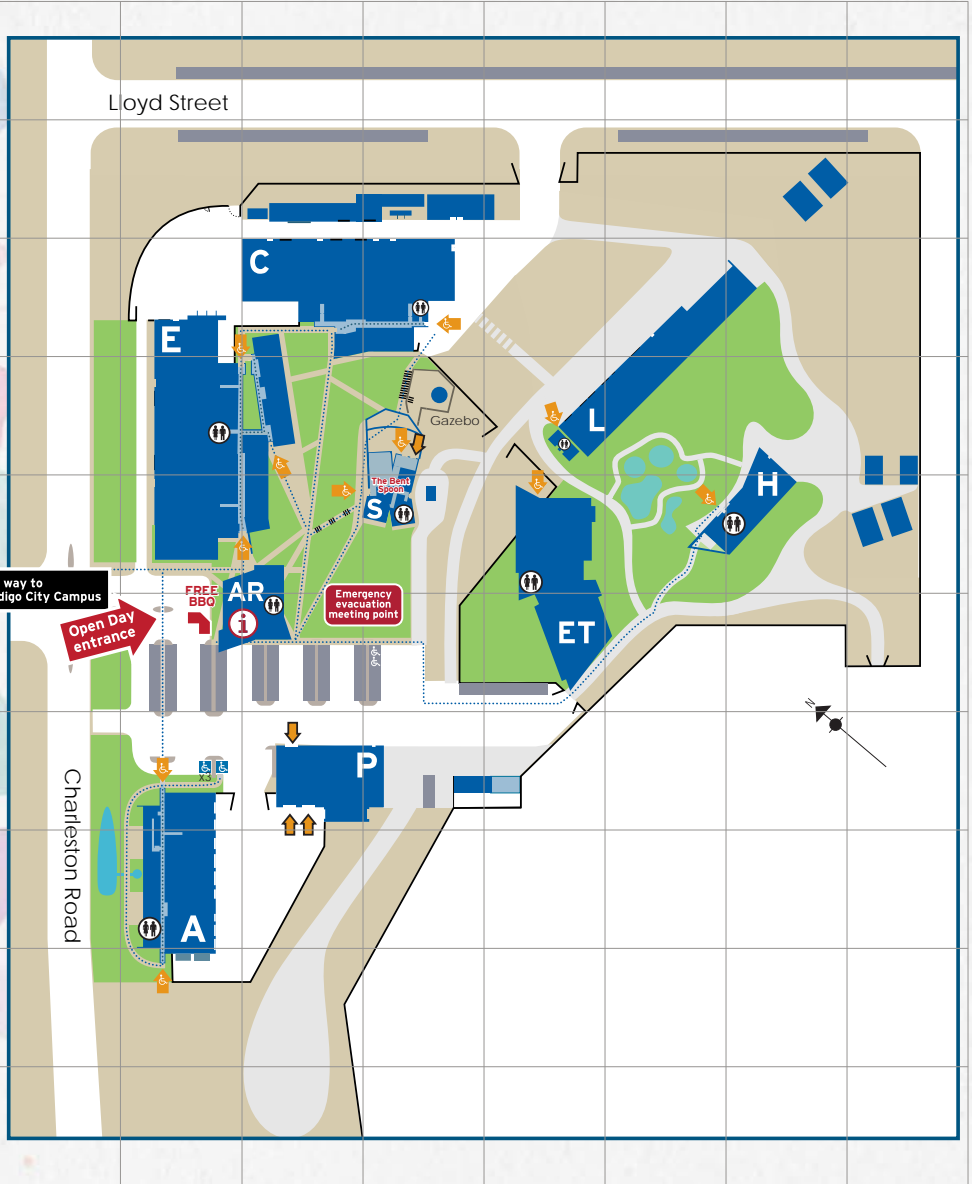

Follow the **yellow** arrows.

## Library
